Our line of Cannabis Kombucha
Infused with 40mg of CBD per bottle/12oz

**Triple Berry
Ginger**
(789185798734)

**Coconut
Lemongrass Lime**
(789185798727)

**Lavender
Chamomile**
(789185798741)

**Hibiscus
Rose**
(789185798758)

Our new line of cannabis kombucha is infused with fast acting water-soluble CBD made with sonicating technology. This means our customers don't have to wait around for the relaxing anti-inflammatory and pain revealing benefits CBD has to offer. A great way to mellow the mood, these kombucha tonics are designed to help our patrons unwind and decompress at a moments notice.

We are a proud member of Bayern's Eco-League.
Our glass can be returned to their facility to be
washed and refilled time and time again. We are
grateful for the opportunity to be a sustainable
company. Our goal is to keep as much glass out of
our landfill as possible. Our landfill is our
responsibility. We thank you for your support in
this endeavor!
